**Members' duties for this meeting are at the end of the bulletin.**

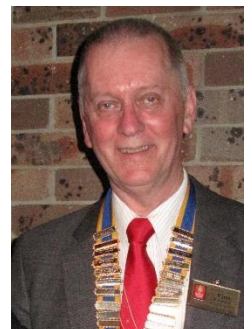

*(Sometimes members who have been allocated a duty can't attend for a very good reason. The Editor would like to suggest we reinstate the old club rule that if you can't do your allotted duty you arrange for another club member to fill in. It saves such horrendous situations like Monday where no one took any notes for the Meeting Report. What follows will have to suffice.)*

### PRESIDENT'S REPORT

16<sup>th</sup> February 2015.

Tonight was our Valentine's Day meeting and what a great meeting it was. We tried out another room which worked well and gave us some exposure to the public which we need to make the most of in the future. And the food was awesome.

Love was in the air .... everywhere. Thanks to all those who made the meeting special. Graeme's cake, Maria's ears and Cochlear story, Joe's research into the history of Valentine's Day, Dave for organising the venue and food, Fraser for his efforts (every week) setting up the room and packing up - we appreciate it all. And everyone for coming.

It was a great pleasure to present Sandy with a pin recognising her efforts in introducing new members to the club.

I will be away for the next two meetings and PE Dave will step in and take the meetings. Please give him your full support. – **Tim Bowland**

**Pictures of the week: The cake, Lyn & Pam cutting the cake, and Sandy gets recognition from Evanston for her efforts introducing new members to the club.**

### Thought of the week

Try to be a rainbow in someone's cloud.

### **MORE PHOTOS FROM VALENTINE'S NIGHT DINNER**

There are many more great photos from last Monday placed on the club's website by Pam. The link is <http://kincumberrotary.org/valentines-day-dinner-feb-2015/>

(The editor has one complaint - his slice of the scrumptious cake did not contain any fruit. This deprived him of valuable vitamins.)
