Kincumber Neighborhood Centre had a visit from our local MP Adam Crouch with the Minister for families, Communities and Disability Services Gareth Ward. Last Monday's zoom guest speaker, Keith Roffey, was very interesting and the many questions that members had was great, for further information I am attaching the HEERA information.

- Don't forget no zoom meeting this Monday 5th October.
- We have our monthly face to face hybrid meeting at Avoca Beach SLSC on Monday the 12th October 3, 2020 when we induct Lou Deans into the Rotary Club of Kincumber.
- We have guest speaker whose identity we will reveal closer to the day.
- Due to the covid-19 current rules and regulations after an inspection and measure check we are safe for 16 members for a face to face meeting so to cooperate within these regulations please advise your attendance to Bruce.
- We are having a site inspection at the Green Point Christian School Tuesday morning with the Kariong organizers I have invited Tony, Sandy, Graeme, Lillias, Neal, Peter, for final discussions.
- Wear a hat to lift the lid on Mental Health

- Don't Forget the BBQ at Bunnings Sunday 11th October volunteers required notify Sandy.
- Peter, Graeme and I had a preliminary meeting with the 3 Villages Community Group president Monique Roy, their Events Co-ordinator was an apology. Monique, however, put forward some really great ideas the 3VCG had been discussing. Everyone agreed the meeting was very productive, so we will have further meetings with the 4 Villages - Shipbuilders Heritage Walk (4V-SHW) committee and others to ensure the ongoing success of the event.
- The 3 Oct. 2020 meeting of the Central Coast Model Makers Mens Shed held at Kariong Rotary's Phillip House, voted unanimously to support the 4V-SHW. It is expected correspondence regarding this will be forwarded shortly.
- Had a good zoom meeting with the R100 district committee.
- Hope you enjoyed the zoom meeting with Ryde club on Friday.

We have our final visioning zoom meeting on 19th October then a Board meeting 21st and a transfer meeting on 29th so no zoom meeting 26th.
